**Brookwood Facilities Improvement Project**

The BTDC is continuously undertaking projects during the year to improve the facilities that will be used for the football and cheerleader program. Some examples of areas that need constant attention and work are the locker rooms, shower facilities, team room, the lodge, grounds and the stadium. We are always looking at improving our field experience with the aid of film and video recording technology that is a critical need area as much as our other infrastructure. Additional donations for these ongoing needs are welcome. Please indicate the amount below.

\$ \_\_\_\_\_
